

# Announcing the New ARMRIT Online Portal for MRI Technologists

We're excited to officially introduce the **ARMRIT Online Portal** – a brand-new platform designed to make certification and renewal easier, faster, and more secure for MRI Technologists across the country.

With this portal, you'll now be able to manage your ARMRIT MRI Certification with greater convenience, from anywhere, at any time.

## Why It Matters:

This new system is part of our ongoing commitment to improving your professional experience. Whether you're renewing your certification or simply updating your contact info, the portal streamlines the process, ensuring everything is up to date and easily accessible.

---

**Step One: Access Your Account:** To get started, follow these simple steps:

1. **Visit the portal** at <https://account.armrit.org>
2. **Log in** using your username and temporary password that was included in the letter you received via US Mail.
3. Click the pencil icon next to the email field and **enter your preferred email address**. Be sure to **double-check and update** any other contact information while you're there.

Once completed, our team will review your information and contact you with a link to begin the renewal process when applicable.

## Important Note for Renewals:

If your certification is due for **Renewal by November 15, 2025**, you **can** use the new portal to complete the process.

## Stay Connected

Please make sure your email and contact info are accurate so we can keep you updated on important certification notices and renewal opportunities.

If you have any questions or need assistance, don't hesitate to contact us at [armrit@msn.com](mailto:armrit@msn.com).

We look forward to supporting you through this exciting new phase and continuing to provide the professional support and recognition MRI Technologists deserve.
